July 12, 2010

This year the Washington State Crop Improvement Association and the Washington-North Idaho Seed Association will be holding their Seventeenth Annual Joint Convention, November 15th – 16th at the Marcus Whitman Hotel & Conference Center in Walla Walla, Washington.

We anticipate approximately 140-150 people (seed growers, seed users, seed dealers, fieldmen, and industry specialists) in attendance representing various agricultural crops. We invite you to participate as a convention sponsor and/or an exhibitor for our 2010 Annual Meeting. Supporting convention activities and events will provide exposure to all in attendance.

Throughout the day of the seminars on Monday afternoon and Tuesday, we will be holding drawings for door prizes. We would like to ask that you donate something for this event. You may either purchase something on your own or we will be accepting money donations from you to purchase something in your name for the drawings. Flashlights, tools, & jackets are some of the things that have been donated in the past and are a hit with the attendee's!

All coffee breaks and the Tuesday breakfast will be held in the exhibitor room so there will be good attendee exposure.

Please complete and return the enclosed forms to WSCIA's office. Each sponsor will be acknowledged during the general sessions and individually recognized for specific contributions with custom made signs bearing the contributors name.

Thank you in advance for your generous contribution. Your support is greatly appreciated.

Sincerely,

WSCIA
