**VARIETIES HIGHLIGHTED IN RED ARE IRRIGATED ONLY**
Definition of Terms

Straw strength = the likelihood for a variety to lodge (linked with stature)

Maturity = the time in the late summer in which the wheat variety is ready to harvest

**OR, ID & WA Preferred Wheat Varieties Quality Ratings**

Most Desirable (MD)—These varieties generally have high test weights, appropriate protein content (kernel properties), and excellent milling and end-use properties.

Desirable (D)—The kernel, milling, and end-use qualities of these varieties range from good to very good. The quality attributes of these varieties are desirable in international trade.

Acceptable (A)—The kernel, milling and end-use qualities of these varieties range from acceptable to good. Individual varieties may possess minor flaws. The quality attributes of these varieties are acceptable in international trade.

Least Desirable (LD)—One or more critical flaws in quality are present in these varieties. The intrinsic quality of PNW wheat will be improved if these varieties are not planted.

### Notes:
- **Type**: SWSW = Soft White Spring Wheat; HRSW = Hard Red Spring Wheat; HWSW = Hard White Spring Wheat
- **Disease scale key**: 1,2 = resistant; 3,4 = moderately resistant; 5 = moderate; 6,7 = moderately susceptible; 8,9 = susceptible
- **Hessian Fly**: 1,2 = resistant; 3,4 = moderately resistant; 5, 6 = moderately susceptible; 7 - 9 = susceptible
- **Test Weight**: Labeled as 1-3 (1 = above average test weight, 2 = average test weight, 3 = below average test weight)
- *Varieties listed as aluminum tolerant or have a rating for fusarium head blight or soil borne mosaic virus have been tested. All others, consider susceptible or untested*

### Adaptation Area Key: Pages 7 - 21

- **Identified dryland production area**
- **Identified irrigation production area**
UI Stone

**Soft White Spring Wheat**

Released 2012, PVP 201300342

Pedigree: ‘Pomerelle’*2/‘Tui’

Medium-Tall stature; medium maturity; good straw strength

Test weight 59.5

**Precipitation zone 18-24”**

---
